IB Chemistry Teacher (Upper School)

Canadian International School of Hong Kong (CDNIS) is seeking an outstanding and experienced **IB Chemistry Teacher (Upper School)** for 2027-2028 school year. Reporting to the Upper School Co-Principals, the IB Chemistry Teacher (Upper School) is responsible for delivering high-quality instruction in the IB DP Chemistry and IB MYP General Science courses. The successful candidate will design engaging learning experiences, assess student achievement, and foster academic excellence in a supportive and inclusive learning environment. Working collaboratively with colleagues, the teacher will contribute to curriculum development, student well-being, and the overall success of the Upper School science programme.

Duties & Responsibilities

- Teach IB DP Chemistry and IB MYP General Science
- Plan, deliver, and assess engaging, high-quality science instruction
- Monitor and support student academic progress and achievement
- Collaborate with colleagues on curriculum planning and student support

Professional Experience & Qualifications

- Hold a Bachelor's degree or higher in related fields
- Have obtained further teaching qualifications (Bachelor of Education or PGCE or PGDE)
- Have at least two years relevant teaching experience in an accredited school
- IB training and experience are essential
- Have experience integrating technology in their teaching practice
- Have the ability to work collaboratively in a team environment
- Experience as an IB examiner, and/or Ontario Certified Teacher certification are considered assets

Interested candidates should email a covering letter, detailed résumé, current and expected salaries, and the names and contact information of three referees to our Human Resources Department at jobs@cdnis.edu.hk.

Safety is Our First Priority

CDNIS is committed to providing a safe and supportive environment for all students. We maintain a zero-tolerance approach to child abuse and mistreatment and are committed to safeguarding and promoting the welfare of children.

As part of our safer recruitment practices, all appointments are subject to satisfactory reference checks and criminal record screening, including a Sexual Conviction Record Check (SCRC) in Hong Kong where applicable.

Personal data collected during the recruitment process will be used for employment purposes only. For further information, please refer to our Child Safeguarding and Privacy Policies.
