AI Lead and Computer Science Teacher (Upper School)

Canadian International School of Hong Kong (CDNIS) is seeking an outstanding and experienced **AI Lead and Computer Science Teacher (Upper School)** for 2027-2028 school year. Reporting to the Upper School Co-Principals, the AI Lead and Computer Science Teacher (Upper School) delivers engaging instruction in IB MYP and IB DP Computer Science while leading the integration of artificial intelligence across teaching and learning. The role includes developing students' programming and problem-solving skills, monitoring academic progress, supporting colleagues in the responsible use of AI, and contributing to policy and practice related to academic integrity and emerging technologies.

Duties & Responsibilities

- Teach IB MYP and IB DP Computer Science and lead the Upper School's approach to artificial intelligence in teaching and learning
- Plan and deliver engaging, innovative lessons that develop students' programming skills, problem-solving, and understanding of emerging technologies
- Assess, monitor and support students' progress using a range of formative and summative assessment strategies aligned with IB criteria
- Guide the responsible and ethical use of AI across the Upper School, including supporting colleagues through professional learning and informing policy on academic integrity

Professional Experience & Qualifications

- Hold a Bachelor's degree or higher in related fields
- Have obtained further teaching qualifications (Bachelor of Education or PGCE or PGDE)
- Have at least two years relevant teaching experience in an accredited school
- IB training and experience are essential
- Have experience integrating technology in their teaching practice
- Have the ability to work collaboratively in a team environment
- Experience leading educational technology or AI initiatives, serving as an IB examiner, and/or Ontario Certified Teacher certification are considered assets

Interested candidates should email a covering letter, detailed résumé, current and expected salaries, and the names and contact information of three referees to our Human Resources Department at jobs@cdnis.edu.hk.

Safety is Our First Priority

CDNIS is committed to providing a safe and supportive environment for all students. We maintain a zero-tolerance approach to child abuse and mistreatment and are committed to safeguarding and promoting the welfare of children.

As part of our safer recruitment practices, all appointments are subject to satisfactory reference checks and criminal record screening, including a Sexual Conviction Record Check (SCRC) in Hong Kong where applicable.

Personal data collected during the recruitment process will be used for employment purposes only. For further information, please refer to our Child Safeguarding and Privacy Policies.
